Activities for Children & Adults with Down Syndrome (and their siblings!)

Music therapy, games, and holiday-themed arts & crafts (for children) and karaoke (for teens/adults) will be hosted by DSIA volunteers!

Breakout Sessions

- **Behavior Specialist:** Mila Zea M.Ed., B.C.B.A., is the director of Building Blocks Behavior Consultants, Inc., and will lead a presentation and discussion on behavior and parenting (for various ages). Presentation will begin promptly at 2:15!
- **Parents' Breakout Sessions:** for those who prefer to attend a sharing session, these sessions give parents an opportunity to discuss topics important to them. Sessions are broken out based on the age of the child with Ds.

Join the treat exchange! Bring your favorite holiday treat to share (cookies, candies, or any other treat) and you'll bring home a variety of others' favorites to try!

Join us for an opportunity to connect, socialize, share, and enjoy educational opportunities for the entire family! For more information contact DSIA at **916-658-1686** or **info@downsyndromeinfo.org**.
